Transport for drug collection, preparation, buying etc 2hrs

Transportation 46km

General

There are a few changes to the way of working as of 11 August. Del Jones has left the employ of Pat Werdmuller and the WAR operation has been disbanded, but Solara will support FOC via donations to aid the continued work.

Del will continue to respond to emergency calls and steri days as normal.

The FOC AGM was 23 August Del presented her last WAR report for the year. The Agm was well supported and new members on board.

There has been an increase in dog food being bought and this will continue to be sold at the clinics and is partly sponsored by Pat Werdmuller.

The weather is now warming up making biliary and cats in season on the rise.

There have been a few calls involving cows and domestic pets in need of euthanasia this month.
